Organization Profile:

For 180 years, the brand Cargills has been known for trusted quality in Sri Lanka. From our beginnings as a trading company in 1844, Cargills today has evolved to become Sri Lanka's largest food retailer and processor, known for innovation and transformation of Sri Lanka's food industry. Our teams across Sri Lanka connect farmers, producers and consumers through strategic sourcing solutions that leverage on a culture which is synchronized with the empowerment of rural Sri Lanka. Our journey of seeking new and innovative ways to provide nutrition in a safe and responsible manner is ingrained in our business model that is recognized globally for inclusive value creation. Our food brands range from value added dairy products, dairy ice cream, confectionery, culinary essentials, beverages, and processed meats, and have been trusted by generations of Sri Lankans. Our products are manufactured at 9 processing facilities which have been approved for international manufacturing, having obtained all leading standards and certifications in food safety, quality management, and environment management.

Organization Profile:

Daiki Axis Sri Lanka, a leading wastewater and sewage treatment product supplier, proudly operates as a fully owned subsidiary of Daiki Japan. Specialising in advanced Johkasou models, we bring cutting-edge technology to meet Sri Lanka's growing demand for efficient wastewater management systems. Our parent company, Daiki, has been a pioneer in the Japanese water treatment industry since the 1950s, with its roots in Matsuyama City, Japan. Responding to the critical need for wastewater treatment in Japan, Daiki introduced groundbreaking solutions that set new industry standards. Notably, our development of lightweight and durable FRPs (Fiber-Reinforced Plastic) Johkasous revolutionised the sector, making us the world's largest producer of STPs (Sewage Treatment Plants). At Daiki Axis, sustainability is the heart of all our water treatment initiatives. We are dedicated to protecting the environments through which water flows, ensuring a greener, healthier future for all.

SOZO started with a set of fun home-kitchen experiments by the founders, Dushyantha De Silva and Gianee De Silva, back in 2016. SOZO Beverages offers a delightful range of craft juices, iced teas, and mixers made from the freshest, all-natural ingredients. Free from preservatives and artificial additives, our products bring exotic and farm-fresh flavors straight to your glass. Originating in a simple kitchen, SOZO has grown to serve customers across Sri Lanka and international markets, ensuring a pure and exciting beverage experience every time. Proudly made in Sri Lanka, SOZO embodies the essence of natural goodness in every sip. One step at a time, we took SOZO out to 300+ locations in Sri Lanka, to over 15 venues in the Maldives including high-end resorts, to gourmet stores in Switzerland and Hong Kong, and are on our way to many new markets across the world.

Contact Person : Mr. Manjula Gunarathne
Sales Manager

Stall No : C13

Organization Profile:

WK Holdings (Pvt) Ltd. was established in 2010 as an import business organization. We import, market and distribute a range of goods from China. Our unique “Wet Towel Dispenser”, with non-woven fabric towel rolls is available for the first time in Sri Lanka. Our versatile, multi-purpose Carport is another first and our disposable service station kits allow service stations to add value to their customer service. Our other business ventures include importing furniture and equipment for the hospitality trade and Chinese spare parts for vehicles on demand. We plan to introduce more home appliances in the future.
