MESSAGE FROM THE PRESIDENT SLHGA

The Hotel Show Colombo, A brand under the wings of Sri Lanka Hospitality Graduates Association (SLHGA), has traditionally served as a barometer for the industry's health and the level of investor confidence. The four-year break was proof of this, as we observed how severely the numerous difficulties the nation faced had affected our industry. This year's event is a litmus test for the Hotel Show as it has undertaken a monumental task of organizing this prestigious event this year and the response has been very promising.

I extend my congratulations to Mr. Trevine Gomez, the Chairman, and the Steering Committee of the 15th Edition of the Colombo Hotel Show for bravely embracing the task of organizing this event during a time when the industry is in a

recovery phase. The Hotel Show has consistently been a multi-faceted occasion, serving as a platform for suppliers to exhibit their products and services. Additionally, it acts as a meeting point for industry professionals, tourism experts, entrepreneurs, and public sector stakeholders, while also serving as a valuable knowledge hub for individuals within the industry.

With the introduction of concurrent events like the National Room Stylist Challenge, National Barista Championship, Tea Masters Cup, and Bar Chaps, the hotel show expanded its reach to different corners of the country. This move not only upskilled professionals but also harnessed the finest talents in various fields, including bartending, bedroom styling, tea sommeliers, and baristas from all over the nation.

During a time when the industry is recovering from both global and local challenges, and facing a significant talent drain, the SLHGA is dedicated to supporting the industry. One of the ways it aims to do this is by providing technical support. Additionally, the SLHGA collaborates with the SLITHM to ensure the industry has the necessary manpower to sustain itself.

Since its inaugural event in 1998, The Hotel Show has continuously grown in prominence and popularity. As a highly anticipated national occasion on the Hospitality industry calendar, its significance cannot be understated. With the approaching Hotel Show in 2023, we are confident that it will bring substantial value and serve as a morale booster for everyone in the industry.

This year's event is expected to showcase an array of exceptional brands from around the world, along with numerous locally-produced products and services eager to make their mark in the market. We warmly welcome all hospitality and tourism stakeholders to join us for this year's gathering, as we prepare for a grand revival of the industry, marked by an increase in tourism arrivals and hotel occupancies.

In conclusion, I would like to express my sincere gratitude to all the sponsors, stall holders, and attendees who have played a vital role in the success of the Hotel Show 2023. Your valuable contributions and active presence have been deeply appreciated. Additionally, I extend my best wishes and utmost support to the Steering Committee as they endeavor to create an unforgettable and successful Hotel Show 2023.
